Dear friends:

On behalf of the Senate of Canada, I wish to offer my congratulations to the Festival Accès Asie in the City of Montreal. This year marks the 13th edition of the longest-running Asian arts festival in Canada in celebration of Asian Heritage Month in the city Montreal.

Montreal is a truly multicultural city that is enriched by the diversity of its residents. Asian Heritage Month will provide a valuable opportunity for Montreal residents to explore Asia's rich heritage, and appreciate its artistic and cultural traditions combined with contemporary innovations.

I encourage you to come out and share in the intercultural celebrations featuring visual arts, dance, music and films that are sure to delight everyone!

Yours sincerely,
